

# Jared Clark's Portfolio

*A website to learn about Jared Clark as a computer science professional, and also as a human.*

*Jared Clark's personal website, above all else, is a tool for potential employers to get to know Jared better. Relevant experiences will be portrayed to paint a picture about Jared's accomplishments. It will also have a slight glimpse into his personal life, which will help employers imagine how he would fit into their company's culture. Anyone who spends some time on this website will have a better understanding of who Jared is and what he has done with his professional life.*

## Ken the Employer

Wants to know if Jared would fit in with his team and produce results

## Dave from Class

Acquaintance from class and is curious about Jared's career aspirations
